The In-service Courses for TGT-AE, P&HE, WE, Librarian, Yoga, and PRT (Music) will be organized in one spell of 21 day duration normally during working days.

Similarly, in-service training courses for Yoga Teachers may be conducted at an Institute of National repute like Kaivalyadham, Lonavala etc.

BROAD OBJECTIVES

The In-service Courses are to be organized by K.V.S. (HQ.) at ZIETs . The main objective of organizing these In-service Courses is to enhance the levels of competence / commitment and performance of teachers. The requirement of such training has become more important because of the rapid changes in social, economic and technical environment of the children. With the emphasis on constructivism as a teaching-learning approach and examination reforms to suit the teaching approach in the NCF- 2005, and also introduction of Continuous Comprehensive Evaluation (CCE), OTBA, etc. teachers are required to get refreshed, updated and prepared to take up the challenges with ease in order to translate the principles into practice.

All Training Programmes, therefore, aim at enhancing the effectiveness of the teachers' ability to:-

- i. Gauge the potential of the students,
- ii. Assess the children's level of achievement as required under CCE.
- iii. Increase their own competency as a teacher,
- iv. Improve the effectiveness of their performance,
- v. Use and improvise support materials required for teaching learning process,
- vi. Take optimum advantage of the opportunities despite the limitations of the system in terms of time available, non-flexible curriculum, intake of students etc.,
- vii. Enhance their level of commitment,

- viii. Meet the expectations of the administration and the objectives of the organization,
- ix. Seek and extend co-operation to parents and community,
- x. Enhance their own personality by constant updating and learning,
- xi. Use of I.T. and multimedia in planning, delivery and evaluation of the curriculum regularly and meaningfully,
- xii. Develop healthy habits and useful values among students,
- xiii. Hone the students' skills by examples, activities, practices, diagnosis, remedial action and constant follow up,
- xiv. Bring about attitudinal change to become a lifelong learner and change manager.
- xv. Provide a forum to share innovations undertaken in different Kendriya Vidyalayas.
- xvi. Respect and understand the provisions of the RTE Act 2009.

Note:- In case the required number of teachers who have undergone any one of the programmes as mentioned at (1) to (4) above are not available in a region, services of such teacher(s) from other KVS Regional Offices may be utilized as a Resource Person for In service training programmes to be conducted at ZIETs / other training venues.

The details of such selected Resource Persons should be sent separately in Proforma IV.

It has been observed that in some cases the guest speakers invited from outside the K.V.S. do not do proper justice with the participants. They often deliver lectures which are irrelevant to the needs of our teachers and outside the context of the K.V.S. As a result many teachers do not pay adequate attention to the lectures whereas in-house talents of the teachers are not properly utilized. Many of our teachers are competent to discuss various pedagogical issues and capable of content enrichment with their experience in actual classroom transactions. There is explicit need to utilize their learning through group activities. The Guest Speakers should be judiciously selected not exceeding the norms of In-service Course. The Director/Associate Director/Resource Persons should interact with the participants on various issues regularly every day.

In each Training course a PGT Computer Science preferably having background of the same subjects may be engaged for up to 5 days for giving hands-on experience in I. T. and Multimedia to the trainees in order to make them competent in using I. T. in planning, teaching-learning, evaluating and analyzing the performance of self and students. The concerned Regional Office will ensure availability of the services of PGT (Comp. Sc.) at the venues/ZIETs located in the Region.

Pre-training preparations –

1. The Course Director of each course should develop a need assessment proforma specific to their subject content, listing out the different areas covered under the latest curriculum and send it to the participants of the course at least one month in advance and get back within 15 days before date of commencement of the in-service training programme.
2. An analysis of the need assessment proforma should be done by the Course Director to identify the generic and individual need areas related to the subject content.
3. The areas identified by most of the participants should be taken as thrust areas and external experts should be engaged to enrich, refresh, reinforce, update and upgrade their knowledge in those specified areas.
4. Time budgeting for the In-service Course – content enrichment- 60%, attitude building- 15%, transactional skills – 25%.

Post-training follow up –

1. The learning index of each training to be calculated and communicated to the Principal of the trainee through their participation certificate.
2. The follow up proforma / tool should be sent by the Course Director to the Principal of the trainee.
3. Principal should record observations and send it to the Assistant Commissioner Concerned.

Please note that the following types of requests/grievances do NOT arise:-

- a) Selected teacher be exempted on the ground that the teacher has already attended a training programme in the last 6 years.
- b) A teacher's name is missing in the selected participants list and be included subsequently.
- c) A teacher's name is included in the list of another subject inadvertently.

Such requests must be avoided by careful scrutiny based on the above criteria at the Vidyalaya / R. O. level.

Further, it is informed that the list of participants be sent in 'Excel' programme only. The 'Designation' of the teacher participants should be mentioned clearly and correctly, keeping in view the changes made in designations. KV may use designation as given in staff sanction orders. This helps in sorting of data correctly and avoiding errors. It is, therefore, suggested that subject codes to be used for transfer applications may be used to maintain uniformity and facilitate compilation. The Gender and category of the participant should not be left blank. The name of the participant prefixed by Mr. / Ms./ Mrs. is to be typed in Capital letters for uniformity.

Please note that organization of In-service Courses is a time bound activity and hence the schedule should be adhered to scrupulously.

Please note the formats to be sent

- I - Priority (A) & (B)
- IV - List of Resource Persons

ZIET Mysore, Gwalior, and Chandigarh, Bhubaneswar after consolidating course-wise information on all the above courses will send the same to ZIET Mumbai. ZIET Mumbai will consolidate all the inputs and send a final report to the undersigned.

This issues with the approval of the competent authority.

Yours faithfully,

(Dr. Shachi Kant) 01/11/16
